

Taalgebruik by Ekspo vir Jong Wetenskaplikes	<i>Language used at Expo for Young Scientists</i>
<ul style="list-style-type: none"> ▪ Vir die <u>streekkompetisie</u> mag leerders hul navorsing in die taal van hul keuse aanbied. Tolke moet asb voorsien word indien Afrikaans of Engels nie as medium gebruik word nie. • Aangesien daar <u>op nasionale vlak</u> ook buitelandse beoordelaars en deelnemers is, is die voertaal hoofsaaklik Engels en leerders mag gevra word om hulle projekte in Engels te verduidelik. Sommige leerders wat as nasionale verteenwoordigers gekies is verkies dus om hulle plakkate in Engels te vertaal, met inagnome van die wenke wat hulle tydens die streekkompetisie ontvang het. Dit is egter geensins verpligtend of noodsaaklik nie – projekte in Afrikaans vaar elke jaar goed by die nasionale kompetisie. • Vir <u>internasionale deelname</u> moet plakkate in Engels wees. 	<ul style="list-style-type: none"> • <i>Learners may present their research in the language of choice at the <u>regional competition</u>. Translators must please be provided if the medium used is not Afrikaans or English.</i> • <i><u>At national level</u> judges and competitors from foreign countries are present and the medium of communication is mainly English. Learners may therefore be asked to explain their research in English. Some learners redo their posters in English for the <u>national competition</u>, taking into account the tips that were given to them at the regional competition.</i> • <i>When participating at <u>international level</u> posters must be in English.</i>
