

Mr and Mrs Fortuin want to buy a new carpet for their lounge.

The Fortuins visit the *Carpet King* shop. They find out that the carpets come in rolls of 3,66 m wide and are sold per *running metre*. Different carpets have different prices:

Carpet	Price per metre
Belgotex Granada	R435,55
Nouwens Attitude	R499,95
Van Dyk Classique	R599,95

They must also buy an underfelt at R69,50/m and the labour to lay the carpet costs R120,00/m. All prices include VAT.

The salesman also explains to them *Carpet King's* finance plan.

CARPET FINANCE AVAILABLE !

Deposit: R4 000

Instalments: Interest free !

Monthly over 6 months !

Back home:

Mrs Fortuin has put her heart on the Van Dyk, and she likes the flower patterns. But she does not like the Belgotex at all.

They have a maximum of R4 000 to spend on the carpet. Mr Fortuin is open to the finance plan, but calculates that they can afford to pay up to R200 per month, definitely not more.

They measure that the lounge is 5,23 m long and 4,52 m wide.

Mnr en Mev Fortuin wil 'n nuwe mat vir hul sitkamer koop.

Die Fortuins besoek die *Carpet King* winkel. Hulle vind uit dat matte aangehou word in rolle van 3,66 m wyd, en verkoop word *per lopende meter*. Verskillende matte het verskillende pryse:

Mat	Prys per meter
Belgotex Granada	R435,55
Nouwens Attitude	R499,95
Van Dyk Classique	R599,95

Hulle moet egter ook 'n onderlaag koop teen 69,50/m en die arbeid om die mat te lê kos R120/m. Hierdie pryse sluit BTW in.

Die verkoopsman verduidelik ook aan hulle *Carpet King* se finansieringsplan.

Terug by die huis:

Mev Fortuin het haar hart op die Van Dyk gesit, en sy hou van die blommetjies-patrone. Maar sy hou glad nie van die Belgotex nie.

Hulle het 'n maksimum van R4 000 beskikbaar om op die mat te spandeer. Mnr Fortuin sê as dit moét kan hulle die finansieringsplan gebruik, maar hy bereken dat hulle tot R200 per maand kan bekostig, definitief nie meer nie.

Hulle meet dat die sitkamer 5,23 m lank en 4,52 m wyd is.
