**ANNUAL MEMBERSHIP FEES:**
2012
In spite of the decisions by the Board in 2011, a number of member institutions delayed payment for a variety of reasons. As of the date of the 2012 AGM, all institutions have paid.

**Decisions:**
6. In line with policy laid down at the 2011 AGM, the Board decides to implement an increase in fees for 2013:
   a. Institutions with more than 100 students: R4,000 per year: RTS Nigeria; SU, ZTC.
   b. Institutions with between 50 and 100 students: R2,000 per year:
ABC, ISTEL, JMTUC.
c. Institutions with less than 50 students: R1,200 per year: DCMA; Hefsiba; ISEU; JMTI, MThC; NETS; RITT.

7. Policy for the payment of membership fees: Membership fees to be paid before the start of NetACT financial year. Therefore payment for 2013 membership fees needs to be received by NetACT before the end of this year, 2012.

8. Defaulters need to contact the ED when in trouble and delayed payment to be explained. Such cases will be referred to the EC to handle, with report to the next AGM.

NB EXPANSION OF NETACT
2012

-7

The need for future development and expansion of NetACT is discussed:

- The formation of working groups for the sake of decentralisation is recognised, as well as the value of a centralised but flexible administration
- The more the members, the more time and money will be needed to manage a successful network which has to be beneficial for all
- A fulltime ED will be needed after 2014
- There is reason for optimism that the WCRC intends to partner with NetACT concerning quality Reformed theological training
- The EC intends to meet with the WCRC as well as with the SU on 1\textsuperscript{st} to 4\textsuperscript{th} September 2012 in Stellenbosch, concerning the possibilities for future sustainable growth of NetACT
- Appreciation is expressed for the role played by SU in supporting and affirming NetACT
- SU confirms its availability for the future: providing a base for NetACT if and when this is the way NetACT wishes to go
- SU does not want to be the major partner, but in the spirit of service to the broader network, simply wants to be an equal partner with all the other NetACT institutions
- The current ED retires at the end of 2014

Decisions:

9. New ED:

i. EC to immediately start concerted succession planning for a new ED to take over by the end of 2014.
ii. new ED to come from SU.

10. For the next 5 years, NetACT:

i. makes concerted efforts to come to a clear view of how to expand sustainably looking at all the different resources and possibilities that present itself during the course of such a planning process
ii. office remains in SU
iii. utilises the current infrastructure and goodwill of SU.

**Decision:**
14. The ED is encouraged to maintain contact, advise and help them.

**NB NEXT AGM**

2012-10 The venue will be dependent on:

**NB REPORT**

2012-11 Rev Miguel Nobre reports and gives a PowerPoint-presentation on his recent attendance of a WCRC theological workshop in Indonesia. NetACT funded his travelling expenses. What struck the meeting is the prevalence of natural disasters in that part of the world, and how the Indonesian Church is responding to it theologically and practically. During discussions that followed this report, the need for a Theology of the Environment in Africa is emphasised as a possible future area of focus for NetACT.

**NB MINUTES OF 2012 AGM**
